AUGUST'S FEATURED CAR:

John and Sue Gratton's 2011 Grand Sport.

John reports: This is our first Corvette. We are both retired which gives us a lot of time to enjoy (polish) it. Bought the car at Heartland where the salesman told me about the TGCC meeting there. My original reason for joining the club was to draw upon the knowledge of other members as I had no previous experience with Corvettes. While attending my first meeting I was surprised how many women were involved with the club and when I related this to my wife, Sue, she agreed to attend the next meeting just to shut me up! It didn't take but two or three meetings for both of us to realize that this group was about much more than Corvettes. Even though we are among the newest members in the club, we have met many great people and have developed some wonderful friendships already.

Thank you all for having us as members.

PRESIDENT’S COMMENTS 1

NEW BUSINESS

8

Regarding the Progressive Dinner on Sat, 9/10, Kathy Jones was unable to attend due to family obligations. But, she is still looking for more volunteers.

Much discussion was made concerning Officers, Appointed Positions, Dues and club By-Laws. Motion was made, seconded, and approved by the majority of the club that in order to modify the list of elected/appointed officers a review of the By-Laws is in order by the officers. This will be scheduled soon. The results should be available to present to all members for their opinion for the Sept meeting.

Bob Smith indicated he would continue being Treasurer as long it is ok if he may not be able to attend all meetings due to personal conflicts. A different officer would also have checkbook rights and be able to provide financial reports as required.

Meeting was adjourned at 7:57. Pizza and basement Hanger tour were enjoyed by all!
