FEBRUARY'S FEATURED CORVETTE:
Steve & Juanita Rukavina's 08 and 04
Convertibles

We have owned two Corvettes prior to the 06 and 04 we currently own, a 77 and a 99 Fixed Roof Coupe. We sold the 99 FRC in 07 and ordered the 08 Arctic White convertible. Over the past 3 years I have added several mods, with the last one being a graphics package. Last October we sold our 02 GMC pick-up and bought the Torch Red 04 Convertible. This is Juanita's ride and since October I have added several mods. We like to show our cars but most of all we like to drive them on trips. We look forward to many good miles enjoying both cars with our new Touch of Glass Club members.
