FEATURED EVENT:

**Open House at Midwest Corvettes –
 Saturday Feb 19th, 2011**

A big "Thank You" is in order for Carl French for so graciously opening up his Corvette restoration/customization facility for the day. Food and door prizes were plentiful, and the cars on display in various levels of completion were motivation to stop and buy lottery tickets on the way home! Featured cars are above, more are on the next page. Check out the details of his fine establishment at <http://www.midwestcorvettesandclassics.com>
